What job i'm looking for? My positive points

I am a 22 year old young man. I'm young and potentially looking forward to building myself for a long run.

It's been a few years since I finished my matric, luckily i was able to get a job at Steinmuller Africa (Pretoria) right after just to gain experience and skills as a Trade Assistant.

I'm currently looking for a with not much experience needed as I have any occupational qualification of some sort but I have all the documents need for me to get started.
