Curriculum Vitae (CV)

What job i'm looking for? My positive points

I've been in the field for over 10years, so I know whats expected from me in running the day to day expectations in the store. I have worked for some of the good companies including 80% of food stores around gauteng, meaning all hyper stores, co-oparates and family stores. I feel i am a good candidate considering what skills i have aquaired through the years especially with customer satisfaction wich is what is important for the image of the organisation like ADDIDAS. I think with good product training i can be a great intrument for the organisation.
