Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for cleaning job whether it would be in hotel's ,restaurants or in any other facilities.

I'm the only son who look after my mother, however sometimes it's become so hard to make ends meet for my family

I was once a hospitality student trying to further my studies but due to my family financial status i didn't manage to graduate,i only did Hospitality management N6 at one of the nearest collage.so

I've been seeking job , submitting my CV anywhere where hope to get a job...

But any job that i get I'll manage to work so very hard and learn anything as much as possible.
