Curriculum Vitae (CV)

## What job i'm looking for? My positive points

What job are you looking for?

I'm currently seeking a role in Project Management, Construction, Logistics, or Supply Chain. With a strong foundation in managing operations, coordinating teams, and driving customer-focused results in a high-end retail environment, I'm eager to apply my transferable skills to more technical and structured project environments. I'm particularly interested in roles that require coordination across multiple departments, efficient resource planning, and timely execution.

What are your positive points?

I bring a hands-on leadership style, strong organizational skills, and a proactive approach to problem-solving. In my current role as a Store/Showroom Manager, I've successfully managed teams, overseen complex installations, handled inventory logistics, and ensured on-time project delivery, all of which align closely with project and supply chain environments. I thrive in roles that demand accountability, adaptability, and communication across diverse stakeholders. I'm also a quick learner, committed to developing new skills that support long-term growth in this field.
