What job i'm looking for? My positive points

Am looking for driving, job. Although I hold plenty of basics skills in various aspects, I volunteer temporarily with one local company on repairing of tar roads, for 8 months, worked temporary at a local internet Cafe, where I gained the skills of computer both in hardware and software, currently working at local security company, marketing for the company, and also in their control room. I have code 10 C1 driving license with pdp, that I got in year 2020 on March, and gain experience in driving for 4years.

Am in position of N2 and N3 Electrical certification that I completed them in Nkangala tvet college, at Witbank Campus. My main focus is to be in an environment where i could gain more experience and grow both mentally and physically, where I can execute my knowledge and skills freely with confidence, I need to be in a company where I can feel at home, with the team that I could interact with as a family.
