What job i'm looking for? My positive points

Dear : sir/madam I am writing to express my interest in securing an Associate position at our company. 23 January 2024 My background in generating innovative ideas and strategies to improve processes has provided me with a deeper understanding of multifaceted problems that companies encounter in their daily operations. Moreover, because of my work experiences, I fully understand how important it is to have great team dynamics in today's multi-disciplinary business environment. To date, my experience as an stock clerk has been extremely rewarding and productive. However, it is through strategy consulting that I can use my analytical aptitude and creative problem solving skills to their fullest. I strongly believe that consulting is a discipline that will force me to view problems not only from the client's standpoint but also from a marketplace, best practices and "think out of the box" point of views. I would appreciate the opportunity to interview with Company Name for the Associate position. Please find enclosed my resume for your review. I can be reached via email at your email or by phone at Your phone number. I enthusiastically look forward to hearing from you soon. Thank you for your time and consideration. Sincerely Wicliff
