What job i'm looking for? My positive points

I'm looking for call centers as I have experience as a sales agent and a collection agent. General work, and and retail. I have experience in all thje above mentioned. With call centers, I was exposed in data capturing, administrative work and customer support, I wouldn't mind getting a job in those fields as well. I'm very versatile and I adapt easily, which will definitely make me a strong addition to any of the above mentioned positions.
