

Kgaogelo Elvis Selokela

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a role where I can apply my strong analytical and problem-solving skills to help businesses make better decisions. Specifically, I am interested in Business Analyst or data-driven roles, where I can combine my mathematical background with business processes to create insights and improve efficiency.

My positive points are strong analytical and problem-solving skills, a solid quantitative background, and the ability to learn quickly. I am also good at communicating complex ideas in a simple way, which helps when working with both technical and non-technical stakeholders.
