What job i'm looking for? My positive points

Actually I prefer any job that you'll offer for me but the main job I'm looking for is Security ,I don't know if I may call this an experience but in 2020 I used to help my dad in his tarven by standing outside and ask people to wear their mask and sanitize them.even though it was tough for me that time but now I will do better than before. I'll define myself as hardworking person
