## What job i'm looking for? My positive points

Greetings, my name is Justino Aphane, currently a matriculant. I know, what does a mere school learner know about working. Well, this student is quite the catch. A combination of countless quality traits, some of them being mainly critical thinking, versatile, competitive and overall creative. I'm not one who talks much, but rather one who acts and actually pulls through. A chance is all Justino needs.
