Curriculum Vitae (CV)

What job i'm looking for? My positive points

Dear Hiring Manager,

I am writing to express my interest in applying for a position at your esteemed company. My name is Aphile Sobekwa, and I am currently pursuing a diploma in Public Relations at the University of South Africa (UNISA). I am eager to apply my academic knowledge and work experience to contribute effectively to your team.

I have gained valuable experience during my time at Ebor Automotive Company, where I worked as a Quality Inspector for one year and as a Machine Operator for two years. In these roles, I developed a keen eye for detail, effective problem-solving skills, and the ability to work efficiently under pressure. As a Quality Inspector, I ensured the consistency and quality of production processes, while my role as a Machine Operator allowed me to gain hands-on experience in operating and maintaining complex machinery. These experiences have equipped me with the practical skills and knowledge that I believe would be valuable in a professional setting.

I am confident that my combination of academic background in Public Relations and practical experience in the automotive industry makes me a strong candidate for this position. I am eager to apply my skills in communication, team collaboration, and problem-solving to contribute to your company's success.

I would welcome the opportunity to discuss how my skills and experiences align with your needs. Please feel free to contact me at 0814880686 /0787466942 or via email at aphilesobekwa1994@gmail.com to arrange an interview or for any further information. Thank you for considering my application. I look forward to hearing from you.

Sincerely,

Aphile Sobekwa
