What job i'm looking for? My positive points

Dear Hiring Manager

I am writing to express my interest in the available position at your company for someone who is looking for December holiday jobs. As a student I am eager to start my career and make a meaningful contribution to retail stores like yours.

Although I don't have work experience, I believe that my strong work ethic, determination, and willingness to learn will make me an asset to your team. During my time in high school and college, I was actively involved in various extracurricular activities and volunteered in my community. These experiences have taught me the importance of teamwork, communication, and attention to detail.

I am also comfortable with multitasking and working in a fast-paced environment.

I am excited about the opportunity to join your team and am confident that I can contribute positively to your store's success.

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications further.

Sincerely, KM Nkosi
