

Thuthukani Mabaso

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am seeking an operations or business management role, such as Operations Manager, Project Administrator, where I can apply my experience in strategic planning, operational management, and business development. I am particularly interested in roles that involve driving efficiency, managing cross-functional teams, and implementing growth initiatives.

Strategic thinker: I excel at developing and executing business strategies that align with company objectives and partnership goals, such as those with Microsoft.

Strong leadership: I provide clear direction, mentorship, and motivation to teams, fostering a positive and high-performing work environment.

Operational excellence: I have a proven track record of optimizing processes, managing resources efficiently, and tracking KPIs to ensure continuous improvement.

Innovation-driven: I identify new technologies and business opportunities that enhance competitiveness and promote growth.

Effective communicator: I build and maintain strong relationships with partners and stakeholders, ensuring collaboration and alignment across all levels.

Risk and compliance awareness: I proactively manage risks and ensure all operations meet legal, industry, and company standards.
