Curriculum Vitae (CV)

## What job i'm looking for? My positive points

A Software Engineering IT Internship position so I can complete my Honors for my BCOMP Degree, as well as grow as an individual and succeed in my IT Career.

I am very much a team player, and work well in group and communicating within my team.

I'm very hands on, if there is an issue i try to find the most efficient way to get it done, and in a timely manner.

I've dealt with various coding languages, ranging from Data analytics like R, through to Java, JavaSpringBoot, Maven and C#, to SQL, and NoSQL, and lastly web design CSS, HTML5, TailWindCSS, React and Go.
