Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for a job where I can contribute my skills. Learn while on the job as well and also be part of a team that works well. I'm good at communicating and I work very well under pressure because I'm currently a barber and I know how to manage my time and be organised. I work well with others and I'm always willing to lend a hand and encourage my teammates.
