Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a young and ambitious graduate from the University of Johannesburg, looking to begin a lucrative career in Recruitment. I am a self-driven, self-motivated opportunist who will stop at nothing to achieve my goals and it is for these reasons that i am suitable to join an organisation of this magnitude. I come from a retail and sales background which has proven to be very beneficial in terms of polishing my communication as well as people skills. I am good at Excel, Word and PowerPoint and my typing skills are just above average. At this point in my career i can only offer my drive and ambition and work to the best of my ability, all i ask is that i be given the chance to prove myself and make a positive profitable impact to the organisation
