

Larry Murphy

Curriculum Vitae (CV)

What job i'm looking for? My positive points

Worked as a bookkeeper in Dallas, Texas, America for a couple of Certified Public Accounting Firms and a travel agent. For the second CPA firm I started an in-house computer service bureau.

Since moving to South Africa, I advanced from a programmer to the Systems Manager at National Cooperative Dairies, provided training and programmed at Computer Science, was the Data Processing Manager at Diesel Electric, was the Systems Manager at Federated Insurance Group, was a programmer at Siemens and provided systems support at Unidata.

Education wise, I have the Diploma in Datametrics from the University of South Africa and have taken accounting courses both at UNISA and Arlington State College (Now University of Texas at Arlington).

As I was involuntarily retired from Unidata, I am trying to start a small service from myhome.
