Curriculum Vitae (CV)

What job i'm looking for? My positive points

In general, I live life to the fullest. I love to be busy working physically. I am quite skillful with my hands. I am the type of person who doesn't give up easily, who always considers alternative possibilities to get the job done. Thus, I always have a Plan B, just in case. I am never afraid to take on a new challenge in life, because the experience acquired is the thing that matters most. Making mistakes is inevitable, however, I try my hardest to avoid it as I know it can sometimes become costly to repair. I have been working in the IT sector for almost 3 years now. I do CCTV installations, Access control installations, as well as networking. I am also quite skilled when it comes to hardware / software related problems on pc's
