What job i'm looking for? My positive points

I am a Mosotho lady aged 24. I originate in Lesotho. I am a motivator where I am currently working. I work at one Non formal organisation in the country. I am a good communicator, motivator, someone who is so passion and humble at all times. I love learning new things everytime and I easily accept my mistakes because I like to pass than to fail. I am a good communicator. I did my Diploma in Lesotho Institute of Public administration and Management. I still wish that one day I can work to one of the biggest companies in South Africa like ABSA, as I still wish to do my degree where I will specialise with accounts and mathematics. I am willing to work hard to bring change in your company and also bring more skills and knowledge that i have learned from where I am currently working.
