## What job i'm looking for? My positive points

I love working with people, many people tell me am funny. I work hard, I have perseverance. i work well in stress.I have a life long term goal to be a psychologist so I could help people who are in need.

I take every thing serious, and my matra for the day is " living this day is if it's my last and If it's not a will go down on my knees and give thanks".

Thanks
