Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a young vigilant lady who is always focused on what I do. I'm looking for a job that involves taking care of kids because I'm good with kids and I relate well with them. I am Kenyan and willing to relocate to my work station. I speak fluent English and give an added advantage to my employer because I will tuition the kids after school and help with their school work. I love children and I'm sure you will be delighted to have me as a nanny for your kids.
