## What job i'm looking for? My positive points

Dear Hiring Manager:

It is with great enthusiasm that I submit my application for the position advertised. I am young professional seeking employment near where I live. My career started working as a Permanent Part time worker for a retail store in Edcon, short after I was promoted to becoming a Permanent staff member. The experiences I gainEd in those pass 3 years helped me a lot in setting my foot into the business environment. I then took on the challenge of becoming Retail Store Manager of the 3rd Stand Alone Store Opened in Mall Of Africa, but sadly only could stay for 4 mouths due to distance.

Please find attached documentsome regarding post.

Warm Regards

Jenvin Louis
