

Albert McCabe

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have over 25 years extensive experience in the field of Mechanical Engineering, Project Management, commissioning and maintenance.

I am known to have a mature personality and am assertive, but fair. Furthermore, I am motivated and self driven with an exceptional interest in the technical/construction and mechanical field. I have good communication skills and this, along with my multi-faceted talents, diverse work experience and life experiences, gives me a definite edge as a candidate.

Although over sixty, I am healthy, fit and very eager to secure a new career challenge. I am not yet ready to retire and believe that I can contribute positively and successfully to the workplace. I further believe that I can mentor, coach and transfer my knowledge and experience to junior staff. I am willing to travel to any site where my services are required.

Personal profile and skills:

- Technically minded and Mechanically orientated;
- Leadership, supervisory and motivational skills;
- Good communication skills;
- Honest, trustworthy and respect for others;
- High level of safety and quality consciousness;
- Believe in hands-on management/supervisor approach
