Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a mature hardworking and honest individual with 30 years of working experience. I have a London Chamber of Commerce Institute Diploma in Sales & Marketing. I also have extensive experience in office administration which includes secretarial and Personal Assistant duties. I am an allrounder who would be a great asset to any employer as I can cover various duties efficiently. I pay attention to detail, I am a people's person and enjoy closing sales deals and meeting sales targets. I thoroughly enjoy a challenge continually pushing myself to the next level. I am currently resident in Zimbabwe where jobs are non-existent at the moment hence the reason for my seeking employment anywhere in South Africa. The salary I put in my CV is the last salary I earned. I am currently unemployed and would be ready to take up employment immediately.
