Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a hard worker, I am also a fast learner. I do not have much experience but I am confident about my ability to learn and fit in. I have good communication skills(both written and verbal). I am motivated by life and its struggles. I believe no one is meant to suffer all the time for their whole life. All this keeps me motivated that things will get better. Therefore I always strive to do my best in whatever task I may be given.
