Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm from Lesotho. I passed my matric in 2012 with aggregate 25 second class. I went to National University of Lesotho and studied bachelor of Social work unfortunately I failed my final year (4th year). I couldn't afford to pay fees to repeat because my sponsor dumped me. I desperately need the job. I can excel in it because I know how to work with people. I was once a bartender before I went to university even though it was not for a longtime. I will serve my employers with passion and respect.

Thank you in advance.
