## What job i'm looking for? My positive points

I passed my matric 2005. due to financial problems, I dropped out of school and got a job at the clinic at the reception as admin officer. Normally we covered admin task daily. I can say I have gained a lot of experience during that two year contract. I am a hardworking person, have passion for people and enjoy my job very much. I tend to be slow sometimes but once I get used to the job there is no going back.
