What job i'm looking for? My positive points

I've managed to maintain my own business for the past 20 years. After matric I did several courses and diplomas to establish my Salon/Clothing design business in the Brits area. In 2004 I've also won the prestiges award of "Small Business of the Year". In the year 2005 I expanded my business to a training facility where I successfully trained over 80 students.

My reason for seeking an alternative working relationship is that I'm in the business for 20 years. I'm turning 45 and need to focus on my future with a permanent income monthly. I'm driven, committed and articulate person with excellent communication skills and high level of customer commitment. I'm multi-skilled with the ability to plan and manage territory whilst and maintaining and developing existing and new customers through ethical sales methods and consistent high customer service. I possess a good team spirit, deadline orientated and having the ability to succeed in a demanding environment.

I'm looking forward to making a significant contribution in a ambitious and exciting company that offers a genuine opportunity for progression.

I know my age and the fact that I never worked for a company may count against me, but please find attached my letters of recommendation from my clients that have done business with me for the past 20 years.

I'm equally comfortable working independently to meet company goals as well as collaboratively as part of a team. I've always been able to establish and maintain excellent relationships with clients and co-workers at all levels.

I am available for a personnel interview at your convenience.
