Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am definately a people's person. I love interacting with people of all ages and races and give my best.

I have many years experience in a Dental Practice doing front desk right up to data input. Dealing with debtors and creditors, Labs, Medical Aids, Reports, referrals and of course many scared patients !

I served on my children's schools Parent Bodies for many years and helped with after school athletics training. I completed my BA Phys Ed up to second year.

I am a good organiser, as I did a few courses in function organising and management while living in the UK. I am also a qualified florist. I am particularly neat, actually a bordering perfectionist.

I recently moved from Cape Town, and really need to find a position where I can flourish.

I hope you will give me a chance to prove myself.
