

The purpose of this CV is to expand my reach for a new job. I am looking for a job in the sales, marketing and admin sector but also other sectors. I believe in my abilities and I know that I could learn and master any job I am presented with under any conditions and pressure. I would say some of my most positive points are being able to adapt and thrive in any work position I am put in. The reason I would like to get into sales\ marketing is because of my natural ability to communicate with people and interact with them via the product I am given to sell. At the same time I plan on learning as much as I can from my employer and increasing my experience as a whole, The opportunities presented to me via this application I intend to seize and I truly believe I will be an asset . Thank you for looking at my CV and hope to be in contact soon so I can elaborate further.
