Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have been developing, designing and administrating websites for a few years now, so I have done courses and developed my skills to keep ahead of time. My strength is in HTML and CSS. I love working on websites, I also have the ability to change images, manipulate and create. Worked on many CMS platforms so it's easy for me to pick up on CMS platforms. I have a good sense of humor work easily on my on own or with a team.
