What job i'm looking for? My positive points

Am a Kenyan citizen by birth. I believe that working in different areas gives a lot of strengths in a woman as long she plays with the team well she can do it good in her field work. I love to do that I dont have to be a south African to work in south Africa, I believe what gives someone's a chance to work is the ability to work and skills. and I have all that. I will really appreciate if you consider me to work with you not for you. thank you
