Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am relatively new in the professional space. However I am determined and motivated to persevere in my study field and other related fields. I am able to meet strict deadlines and I embrace challenges that arise to my attention with utmost passion and focus. Through my passion for results, I come with healthy record in goal achievement and this helped develop discipline and strong workmanship. Although, I am able to work independently and take direction in team environment, I consider learning and listening to others around me as invaluable to the core strength of the team. Subsequently, I am able to solve problems through this process
