What job i'm looking for? My positive points

PERSONAL STATEMENT

I am an experienced and motivated IT Student, accomplished in delivering hardworking ethics and to meet business standards.

I'm an adaptable and efficient team player with excellent communication skills at all levels. I'm looking for a role where I can develop my skills further, researching new technologies and excelling in new challenges.

I am generally very hardworking and not afraid to see a project through till the end. I do not give up very easily and I am very persistent to achieve any goal I set for myself. I am very interested in attaining the attention of your companies to show you my potential.

I have developed very intensive critical thinking and problem solving abilities throughout my studies and career life. I have the abilities to Analyze any problem, Evaluate Ethically, and Implement a Working Solution. I feel that I can apply the necessary corporate strategies, and always go above and beyond the call of duty.

I feel that if given the chance I will be an asset to your company.
