

M Hoving

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a hardworking as well as goal driven person, willing to work long hours to complete a certain task. I do not mind to start from the bottom, working my way upwards. I have great experience in administration. Currently, I work for a company that manufactures potato and onion machine. My role as the receptionist/admin clerk, I perform the following duties:

- Assisting with the switchboard
- Administration: paper work, using Pastel Accounting Software to enter incoming invoices on the computer
- Sending of emails and faxes
- Assist clients via email or telephonically
- Filing of invoices, payments, doctors certificates
- Using A-Pay program in doing the weekly employees wages.
- Capturing data
- Working on MS Word and Excel

I hope to work for a company where I can perform the administrative and financial aspect of the company.

I prefer working in a structured environment as it gives me a good idea of what needs to be done and when. By prioritizing tasks and remain calm is how I handle pressure moments.
