Curriculum Vitae (CV)

What job i'm looking for? My positive points

Am an economic historian with vast knowledge on the economic dynamics of Southern Africa and Africa in general. Writing matters of business and the economy is my bedrock. It is the changing economic trends and the impact of global warming that worry me a lot. Thus with the dearth of information out there on the effects of these, I seek to contribute in raising awareness.

With my know-how in matters of the economy I seek not only to help the society but the government to act on an informed position through the articles I write.
