Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a very charismatic and passionate young lady. I am naturally a people's person and enjoy very much working in teams. My most recent employment was my role as a Procurement Manager for a Company called SCAN RF Projects which is a Wireless Networking organisation. I oversaw the buying for both Project and Business requirements. I believe that I am a self starter and can learn anything that is taught to me. My personality allows me to fit into any industry because I do my best in anything that I put my mind to.
