What job i'm looking for? My positive points

I am currently working in a retail bank and what I'm looking for currently is to learn practically about accountancy so being an intern at an accounting firm, junior accountant or a receptionist at an accounting firm is ideal, so I may learn the job practically.

I am a fast learner, and I practice something until I excel on it. Always eager to learn new things, and with that I'm a good juggler; I priorities well especially under a lot of pressure. Working at a retail bank has helped me to excel in my peoples skills especially communication and also I am computer literate
