RE: APPLICATION FOR JOB AS AN ELECTRICAL ENGINEER

Additional information

Salary you wish
I hereby submit my application for job as Electrical Engineer
10000 R per month

How much do you earn now
8000 R per month

Dear Sir/Madam

I am a young Man aged 23 years who completed his Biomedical Technician Training and National Degree in Electrical & Electronic Engineering at the Central University of Technology, Free State South Africa. I have 5 years working experience in technical related environment.

Given my experience in maintaining electrical equipment & assemblies and instrument sets, linen. I believe that my strong technical experience and education make me very competitive for this position. I feel that the position offered would be ideal in giving me the opportunity to use my education and skills to provide a high level of service for the kind of candidate you are looking for. I can be reached anytime via email at mosekwaemmanuel@gmail.com or my cell phone.+267 76046108 .I look forward to hearing from you.
