

Henry Hardy

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have 20 years of significant experience in mining disciplines of Engineering, Project Management, Mining Production, Compliance and Optimisation, Safety Health Environment and Quality management and control. For the past 10 year I was employed in several senior management positions. During this tenure I always established and maintained good relations with internal and external stakeholders and always acted in the best interest of the Company that I was employed at.

I sincerely believe in safe cost effective production or project execution and therefore it became part of my nature to always focus on the effective and efficient utilization of people and equipment.
