

Chevandre Frazer

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a fast learner, I enjoy challenging situations as well as working with team members. My weak point is that I am a peoples pleaser, I would set my duties aside to assist others, secondly I do and finish one thing at a time. My strong point is that I enjoy working under pressure. My main goal is to uplift the current company that employs me and to one day manage and provide skills to the next generation.
