## What job i'm looking for? My positive points

I am a quick learner and a great team player. I concentrate on one thing at a time. I believe in team work, even if I find anything irritating I try to avoid it unless it personally affects me. I keep myself calm and focus on multitasking while being patient. If I get hired in any job, it will be a great platform to showcase my skills. Whatever goals I set, I ensure to complete them within stipulated time
