Application for graduate/internship program 2017

### Contacts and general information about me

I hereby apply for position in graduate internship program 2017 in your company .currently, I am 1995-07-16 (30 years old)  
Gender information technology under Informatics at Tshwane University of technology and it's my  
Residing in my last modules. I have skills in Ms Access, Ms excel, Ms PowerPoint, Visual  
basic (VB), PL/SQL and SQL oracle.  
Telephone number  
My main field of study are Business analysis, Project management, Development software,  
Information systems and System tester. During my studies I have found that my interest focused  
particularly in business analysis which connect pieces of information together in order to determine  
what the intended meaning of the information was meant to represent.

### Additional information

I would like to work in your company to gain work experience in my field of study so as to gain  
Salary you wish R4000 R per month  
knowledge while enhancing my career profile. I believe I would be the best utilised within day to  
How much do you earn now R0 R per month  
day business operation of the company and I am good at working within both team environment  
and on individual tasks. Completing my internship would give me excellent experience in your  
company and would be an outstanding opportunity for me to explore different knowledge working  
methods and practice the knowledge I gained at university.  
Through my qualification at the university I have gathered good communication skills and able to  
present my ideas in an understandable way and in confident manner. People around me can testify  
that I relate easily with people, well organized, can work under pressure and I am able to adapt  
quickly to new surrounding and situations. I have learned to work hard and achieve my aims with  
great commitment and perseverance. Since I am looking for a new challenge, I would like to be  
considered for a position at your company, because of the excellent reputation of your service for  
offering internships.  
An internship with you is of great opportunity and experience. If you have any additional questions  
regarding my application please contact me via e-mail or my mobile phone.

Thank you for taking your time to review my application.

Yours sincerely,
