What job i'm looking for? My positive points

Dear Sir/Madam

I Tsongoane Mhlabane, currently in my last semester, would like to apply for an internship as in your company . I'm currently pursuing my diploma in Information technology (informatics) at Tshwane University of technology. I have skills In Ms Access, Ms excel, Ms PowerPoint, Visual basic (VB), Oracle (SQL) and Oracle (PL/SQL).My main field of study are business analysis, project management, and system tester, system analysis and software development.

I would like to work in your company to gain work experience in my field of study so as to gain knowledge while enhancing my career profile. I believe I would be the best utilised within day to day business operation of the company and I am good at working within both team environment and on individual tasks. Completing my internship would give me excellent experience in your company and would be an outstanding opportunity for me to explore different knowledge working methods and practice the knowledge I gained at university.

Through my qualification at the university I have gathered good communication skills and able to present my ideas in an understandable way and in confident manner. People around me can testify that I relate easily with people, well organized and I am able to adapt quickly to new surrounding and situations. I have learned to work hard and achieve my aims with great commitment and perseverance. Since I am looking for a new challenge, I would like to be considered for a position at your company, because of the excellent reputation of your service for offering internships.

An internship with you is of great opportunity and experience. If you have any additional questions regarding my application please contact me via e-mail or my mobile phone.

Thank you for taking your time to consider this application and look forward to hearing from you in the near future.

Yours sincerely

Tsongoane Mhlabane
