Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a resourceful individual, able to identify problems and like to use my own judgment in resolving technical issues. I enjoy the technical support environment. I am a self-motivated and innovative person who works enthusiastically and responsibly within a team environment or on my own to solve end-users technical problems. I am a good communicator and take pride in my work.

I am motivated, goal-orientated and vision-driven individual who is creative and has good work ethic. I am a hardworking dedicated individual who is looking for a platform such as your organization to utilize my skills and abilities in a productive way. I would appreciate the opportunity to join your organization.

I am seeking for both a position to utilize my skills and abilities in the Information Technology Industry, and an opportunity to gain experience as a computer service technician that offers professional growth while being resourceful, innovative and flexible.

- I am available to begin working immediately.
- My salary expectation is R 7500 – R 10000
- I am willing to relocate anywhere nationally and international.
- I am currently using public transportation.
