

# Happy Mthembu

Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am looking for any kind of a job that your business can offer me. I am currently a student who's doing journalism and media; since my mother is unemployed she can't afford to pay the fees. I just dropped out from college because the loan I applied for taking so long to proceed. I am hoping that finding this Job will make a different in my life
