

Alfred Nieuwenhuizen

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I have ample experience in both the hospitality industry and in building repairs and maintenance including shopfitting, aluminium window and door works, tiling, basic plumbing, basic electrical, plastering, painting etc.

i also have a code 10 drivers licence and experience in collection and delivering materials to various sites in and around durban kzn.

i would describe myself as a very hard working individual and in my opinion, the epitome of efficiency. i have been attempting to go out on my own for the past two years but finding it extremely difficult to go up against other more established companies.

in short, all i need is a chance to prove my worth and i can guarantee that i shall prove to be an asset to any company willing to take a chance on hiring me
