Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am computer literate and friendly by nature. I am a team player and also work excellent when unmonitored. I am a fast learner as well and believe that punctuality is the highest form of professionalism. I am a self motivated young lady and loves to motivate everyone I come across. I believe when one is motivated, they find reason to carry on doing good work and delivering excellence. I take failure as an opportunity to start afresh and do better next time, a form of motivation which is needed for one to keep pushing and never fall into the comfort zone.
