Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am in my current job for 11yrs and feel it's time for a career change.

Working with figures is my passion. I am conscientious, hard-working and goal orientated, with a lot of ambition and self

motivation. I like to think of myself as being a rational, logical and systematic thinker, with the ability to sum up a situation and go directly to the core of the problem, I believe that problems can be solved and I see my creative and analytical abilities being utilized to overcome any problem. I enjoy working independently but I am just as comfortable working in a group. I have the ability to entice initiative. My aim is to be successful in life and I want the best and most that life has to offer.
