Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am open to any office support and reception. I have 6 months experience working in an office environment. I have done it

all – filing, faxing, copying, making spreadsheets, entering data, answering multiple phone lines and emails, etc. – I am quite flexible in the work I do. I am able to take on multiple tasks fairly easily and am able to learn new skills quickly and effectively. I consider myself a hard worker who is easy to get along with. I always have a positive attitude because I believe that negativity in any area of your life is just useless and detrimental to what can be accomplished.
